General settings

- On the General settings, you can customise the following:
 - Enable IQVIA Marketing consent: optional checkbox on your sign up process that allows your users to give Marketing consent for IQVIA

The screenshot shows the 'General Settings' interface for OneKey Connect. The 'Datashare consent' section is expanded, showing a text input field for 'Company name' containing 'OneKey Connect'. Below it, a note states: 'Please provide the company name that will be displayed in the datashare consent page'. Other sections visible include 'Pages background' (with a HEX color field set to #FFFFFF), 'Logo' (with an upload button and a text field for 'Your Logo Text'), 'Link to your website' (with a URL field), 'Custom font' (with a list of accepted formats), and 'Configure forms behaviour' (with three toggle switches: 'Enable IQVIA Marketing Consent' is checked, 'Enable Progress bar' is unchecked, and 'Enable Keep me logged in' is checked). A 'Publish' button is located at the bottom right.

The screenshot shows the 'Sign Up' page for OneKey Connect. It includes a 'Send verification code' button, input fields for 'Username (Email)' (containing 'zenkasa@yopmail.com'), 'Password', and 'Confirm password'. A checkbox labeled 'By signing up, you accept OneKey Terms of use and Privacy Policy' is checked and highlighted with a red box. Below it, there are 'Cancel' and 'Sign Up' buttons. At the bottom, there is a small disclaimer: 'Personal information collected in the registration form is solely the right of IQVIA and its approved clients. As stated in the local data declaration law you have the right to access this information, make amendments and cancel your registration at any time. This can be done via the contact link below. OneKey Connect © 2023. All rights reserved. Need help? Contact us.'

- Datashare consent
 - Company name: you can customise the company name that will be displayed on the datashare consent page

The screenshot shows the datashare consent page for OneKey Connect. It features a prominent blue button labeled 'Allow OneKey Connect to access your Onekey Data' which is highlighted with a red box. Below this, there is a text block: 'Allow OneKey Connect to access your OneKey data to quickly set up your profile on its website and be able to communicate with you. You can access and modify your shared data at any time from your OneKey account.' This is followed by the text 'Please provide us with the following consents:' and a checkbox labeled '* Consent Mandatory Australia'. Below the checkbox is the text '*Mandatory fields'. At the bottom, there are 'Cancel' and 'Allow' buttons. A footer at the very bottom reads: 'OneKey Connect © 2023. All rights reserved. Need help? Contact us.'

Note that texts and fields label cannot be changed
